
The Claud Switzer Memorial Trust
is a not-for-profit organisation.

Our innovative community based
day care services commenced in
1999 as a result of the increasing
demand for short-term care options
and choices for older people.

We are grateful to the local com-
munity for their continued support
and to the JR McKenzie Trust for
their generous grant which made it
possible to pilot our initial concept.

Thank you

VISION

Our vision is to provide leadership in the care of older people, and a range of services for their changing and diverse needs. These services will continuously evolve to exceed expectations.

MISSION

The relief, care, welfare and benefit of aged needy persons within the geographic area previously known as the Mangonui County and Kaitaia Borough.

PHILOSOPHY

We believe that the dignity, privacy and individual rights of all people must be maintained at all times and that their needs should be provided for with patience, understanding, empathy and respect, with a consistently high standard.
